

Welcome to the MYP!

Discovering the International Baccalaureate Middle Years Program

Our Learning Target

Today's Goal

I can explain the unique features of the International Baccalaureate Middle Years Program (IBMYP).

Success Criteria:

- I can name three key program components.
- I can describe what makes an IB classroom different.

🔑 **Key point**

Essential Question: How does an IB classroom differ from others?

WARM-UP ACTIVITY: GLOBAL CONNECTIONS

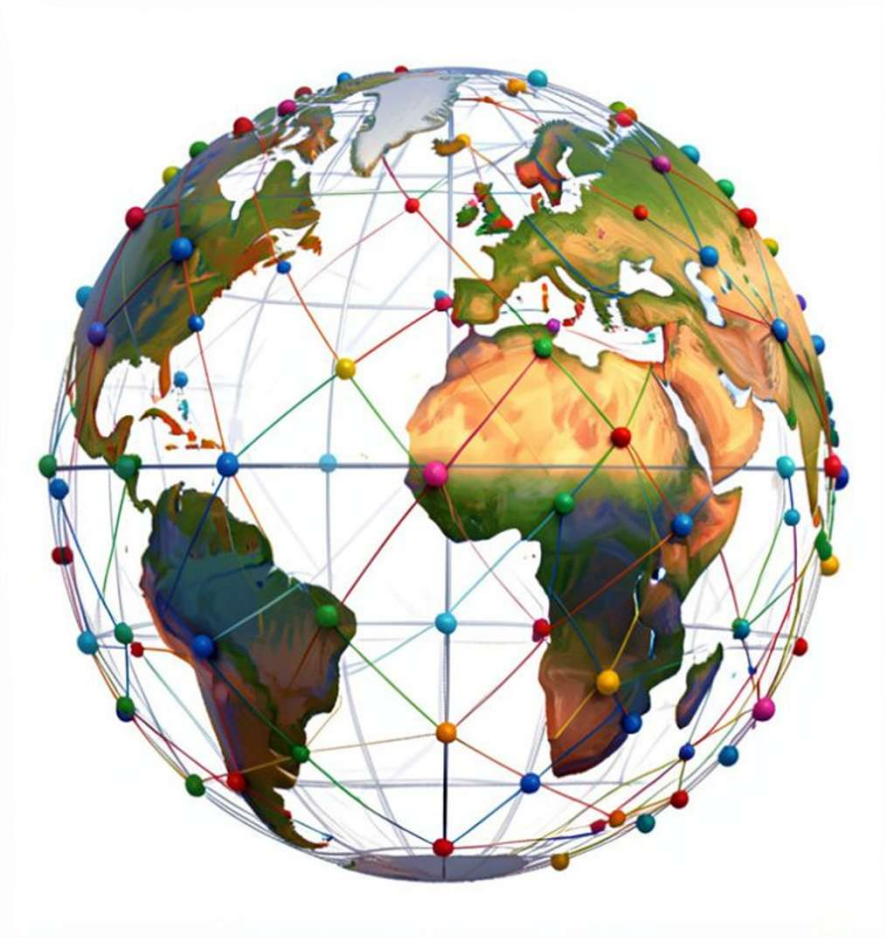

Look at the world map. Think of one place outside of the United States that you have a connection to. Maybe you've visited, have family there, or just love their food!

Who wants to share?

IB UNITY

WHAT IS THE IB?

The **International Baccalaureate (IB)** is a global community of schools. The **Middle Years Program (MYP)** is specifically designed for students aged 11–16 or students in grade 6-10.

Example

IB schools focus on making you a 'Global Citizen'—someone who cares about the whole world, not just their own neighborhood.

Key Vocabulary

Inquiry

Asking questions and investigating to find answers instead of just memorizing facts.

International-Mindedness

Understanding and respecting different cultures and perspectives.

Reflection

Thinking deeply about what you have learned and how you have grown.

See the IB in action

Let's take a look at what it's like to be a student in an IB school and how they approach learning.

Inquiry vs. Rote Learning

How do we learn?

In many classrooms, you might just memorize dates. In an **IB Social Studies** classroom, we use **Inquiry**.

Traditional

- Memorizing lists
- One right answer
- Teacher talks, students listen

IB Inquiry

- Asking 'Why?'
- Solving mysteries
- Students lead the way

IB UNITY

Listening to Student Voices

Listen to students talk about what learning in the MYP feels like.

As you listen, think about:

- What questions do students ask?
- How do they work with others?
- How do they think about their learning?

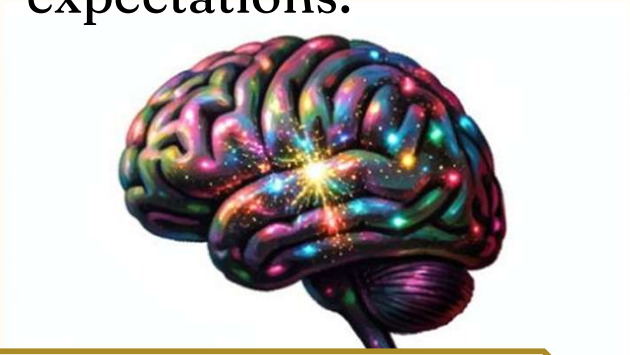

IB UNITY

Collaborative Graffiti Wall

Classroom Culture

Build our IB community. Use the 'Graffiti Wall' to show classroom expectations.

Brainstorm - Think about being kind during class discussions.

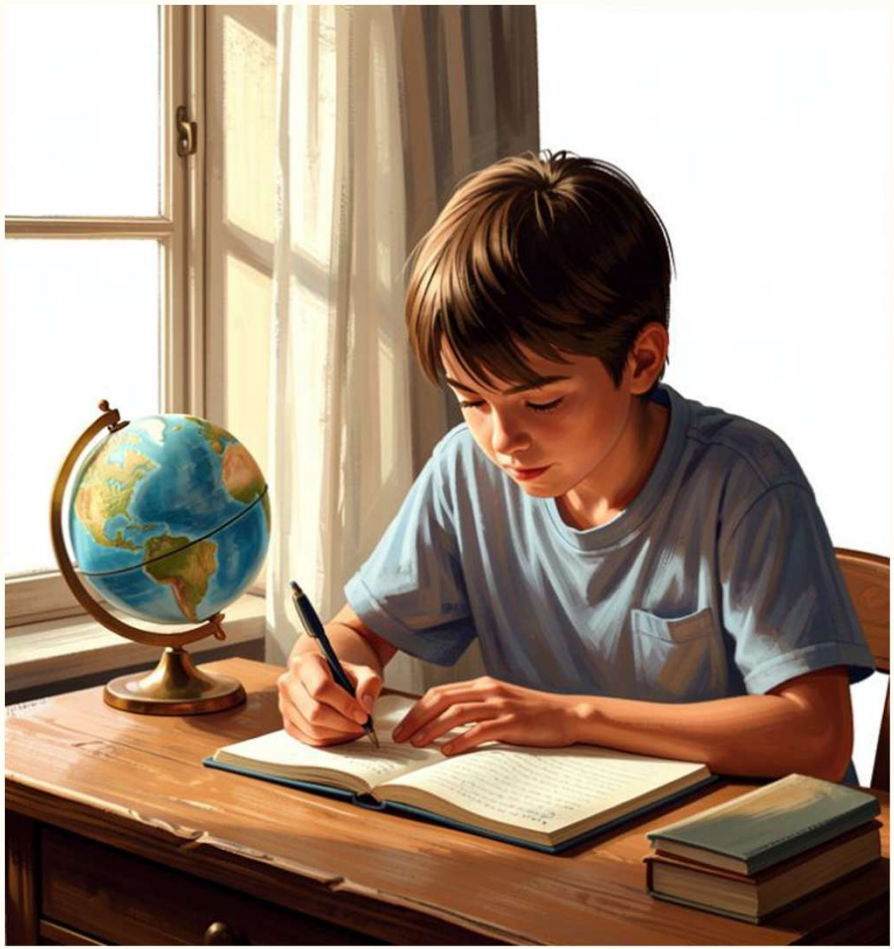

Create - Write a word or draw a symbol for 'Respect' or 'Curiosity'.

Review - View classmates' ideas. This is our class contract!

IB UNITY

Independent Practice: Being a Global Citizen

Now, it's your turn to reflect. In your notebook, finish this sentence:

'To be a Global Citizen, I can...'

🧠 **Remember**

Use your visual vocabulary cards if you need help with words like 'Community' or 'International-Mindedness'!
